

Disciplined Agile Scrum Master (DASM) Exam Prep 2024 Course

Is your team treading water using waterfall? Do you feel trapped in an agile framework? Would you like to find solutions to the problems you've been wrestling with? Are you looking for ways to enhance your team's agility?

Break free from your old ways by choosing a way of working that fits your team's context. Find strategies to improve your processes and strengthen your team with the Disciplined Agile tool kit.

Disciplined Agile Scrum Master is a nine-lesson, instructor-led course that shows you how to use Disciplined Agile (DA) to improve your team's way of working. In just two days, you'll become familiar with foundational agile and lean practices that DA supports, practice using the tool kit to solve problems, and learn how to build high-performance teams.

Filled with activities, animations, supplemental reading, and more, this course will prepare you to take the Disciplined Agile Scrum Master (DASM) exam and, equally important, start using Disciplined Agile immediately.

Learning Objectives

After the completion of this course, you will be able to:

- Apply foundational agile and lean practices in your own team setting
- Describe what business agility is and how it is core to value proposition of Disciplined Agile
- Describe the significance of the Disciplined Agile Mindset

- Apply the relevant agile and lean techniques to support your team producing business value
- Apply the relevant agile and lean techniques to support your team releasing their work into production
- Apply the relevant agile and lean techniques to support your team on an ongoing basis
- Recognize when to be resilient
- List and define the principles of Lean

Answers to some FAQs

- How do I access the DASM exam?
 - After the DASM/DASSM training workshop is complete, we will send a roster of the attendees to PMI and an exam access link will be automatically generated and emailed directly to each participating student. Notifications cannot be generated to anyone but the student. You will typically receive the link the same day. Be sure to check your dashboard, as you will not always be notified via email.
- How do I take the exam?
 - The exam is administered online through Pearson VUE. You must have a PMI ID with a valid mailing address, valid phone number and email. Each must be marked as Primary. This is required for any candidate to test through Pearson VUE. If above is not completed, you will not be able to take the exam.
- When can I take the exam?
 - It is a non-proctored exam so you may take it at any time of day when you are ready. You will have 60 days from the time you receive the exam link to take the exam, and you may retake it 2 more times within that 60-day period if you do not pass the first attempt for a total of 3 exam attempts. The retake fee is \$150 for each retake.
- Can I earn PDUs for taking the course?
 - Yes, the course is 14 hours and you can claim 14 PDUs.
