

Lead by Serving: Empower Your Team with the Principles of Servant Leadership

Abstract

Are you ready to lead with a purpose that prioritizes the growth and well-being of your team and organization? Join us for an in-depth Servant Leadership workshop – an 8-hour immersive experience designed to equip leaders with the tools to serve and empower others.

Through real-world case studies, interactive sessions, and hands-on activities, you'll discover how to foster collaboration, promote ethical decision-making, and build a thriving workplace community. Whether you're a seasoned leader or new to leadership, this workshop will inspire you to lead with empathy, integrity, and stewardship. Reserve your spot today and transform the way you lead!

Learning Objectives

Attendees will:

- Learn the foundations of servant leadership
- Develop empathy and active listening skills
- Gain techniques that foster empowerment and growth in teams
- Understand how to promote collaboration and an inclusive community spirit
- Explore how to apply ethical decision-making and stewardship
